FATCA/CRS due diligence will be directed at each investor / Unit holder (including joint investor/Unitholder) and on being identified as a reportable person, all the folios will be reported. In case of folios with joint holders, the entire account value of the investment portfolio will be attributable under each such reportable person. An investor / Unit holder will therefore be required to comply with the request of the FME to furnish such information as and when sought by the FME for the FME to comply with the information reporting requirements stated in IGA/MCAA and circulars issued by IFSCA or by any regulatory authority in this regard. The information disclosed may include (but is not limited to) the identity of the investors/Unitholder(s) and their direct or indirect beneficiaries, beneficial owners and controlling persons. Investors / Unitholders should consult their own tax advisors regarding FATCA/ CRS requirements with respect to their own status.

The FME reserves the right to reject any application/ freeze any folio(s) held directly or beneficially for transactions in the event the applicant/Unitholder(s) fail to furnish or non-compliant with the relevant information and/or documentation in accordance with FATCA/CRS provisions and as requested by the FME
